# WILLKOMMEN!

Welcome to Leavenworth, and to our annual celebration of winter: The Bavarian Ice Festival, also known as Icefest!

Typically Icefest features frosty frivolity such as a Nordic ski race, dog sled rides, a snow sculpture competition, snowmobile sled rides, and a Rail Jam hosted by Stevens Pass alongside the classic Icefest games like the Great Frisbee Sweep, Bavarian Mug Relay, Smooshing, and Tug of War.

This winter Mother Nature has surprised us with unusually warm weather and very little snow, so we are following her lead and giving Icefest a tropical twist!

## Welcome to Leavenworth's first ever Bavarian Ice Luau!

Registration begins at 9AM Saturday for **games** (highlighted in red in this program; registration required). At 11AM a plethora of snow and sun **activities** (highlighted in blue; no registration required) will begin.

KING 5 meteorologist Jeff Renner will emcee as you hula and "smoosh" your way through the day!

On Sunday we invite you to enjoy our village shops and restaurants, cheer on the Seahawks, and then join us back at the Gazebo at 8PM as fireworks light the night sky above our Bavarian village. We hope you enjoy your stay in Leavenworth — your Bavarian getaway, snow or shine!
